

10 – year wood protection warranty

1. Warranty note

1.1 OrganoWood AB guarantees for all consumer purchase (defined according to the Swedish consumer purchasing law and consumer service law) a 10-year rot protection warranty of OrganoWood®-modified wood.

1.2 The warranty mean that OrganoWood AB guarantees that the wood shall not be so severely affected by decay from rot-fungus so that it is out of function within its application areas before 10 years of usage in Sweden. The warranty is not valid from attacks from mold or other fungus which grows on the surface of the wood and affects the wood mainly esthetically.

1.3 The warranty mean that OrganoWood AB will supply new wood in exchange for the decayed wood to a value of maximum SEK 20 000.

1.4 The warranty is only valid if the assembly instructions and application areas are followed according to the guidelines on www.organowood.com.

1.5 A valid receipt and Warranty note can be shown from the authorized dealer.

1.6 If cutting, drilling or other smaller working is unavoidable, the worked surfaces shall be treated with appropriate wood preservative, OrganoWood 01. Protection. OrganoWood's warranty will be lost if other works is performed, e.g. splitting, or planing.

1.7 Areas in which wood is subjected to weather, wind or condensation, but is not in contact with ground or permanent placed in water or in areas in which problems with exchange of damage parts or risk for accidents are limited. Application areas are e.g. timber decking and facade wood.

1.8 The warranty applies only to decking that has a distance of at least 30 cm to the soil.
